I have your letter of September 13th with regard to a matter of issue between you and this Agency.

Please be assured that I shall be happy to receive from you any further evidence which you may wish to bring to my attention in substantiation of your position in this matter. I was under the impression that, in your letter of April 8, 1954, in reply to mine of April 5th, you had supplied all information in your possession. However, if this be not the case, and you now have more, I shall be glad to consider it from the standpoint of its bearing on any liability which this Agency may have incurred in the premises.

You may submit it direct, or through the medium of an attorney, as you deem best. Should you decide on the attorney, you are reminded that your presentation to him should be conditioned by appropriate security considerations.

Very truly yours,

25X1A9A

Assistant Director for Personnel
